TALENT: Efraín Ruales

Gender: Sustainable

Duration: 30 minutes

Episodes: 6

Format: 4K y HD

Production: Ecuadorian

Year: 2020

Mini series that fuses informative interviews with humorous sketches. It is based on a connection between the present and the year 2050, where an apocalypse caused by humanity due to contamination and abuse of the earth's natural resources has happened. A group of rebels will carry out a fight to be able to contact someone from the "past" (2019), and thus avoid disaster. The Green Mission consists of finding factors of change to save the Earth from its destruction; people who teach with acts how to save the Earth.

LIVE SIMPLE

TRANSITION

FROM THE CITY TO THE COUNTRYSIDE

TALENT: Grupo de personas

Gender: Reality / Sustainable

Duration: 60 minutes

Episodes: 30 | Format: 4K

Production: Ecuadorian | Year: 2022

Seven people from different countries decide to live the experience of the transition from the city to the countryside through permaculture, aware that the path to individual and collective change is by reconnecting with their inner being, nature and community. The participants, who are unknown at the beginning, live in a natural environment far from the comforts of the city. This reality shows the real process of their learning and adaptation to community life.

GREEN

MISSION

IDEAS SUSTENTABLES

MASHPI

Environmentalists and forest entrepreneurs

Gender: Sustainable

Duration: 40 minutes

Episodes: 1

Format: HD

Production: Ecuadorian

Year: 2021

Mashpi is a protected ecological reserve located northwest of Quito. It maintains evolution in community development, has sustainability systems that involve the human being without differentiating age and recharges with energy from the forest by having constant contact with nature. Its name comes from two dialects due to the integration of ancestral cultures, Mashi, which means "Friend" in Quechua, and Pi, which means "Water" in Tsafiki, the Tsáchilas language.

FROM SUNRISE TO SUNSET

TALENT: Mamo Seiwin

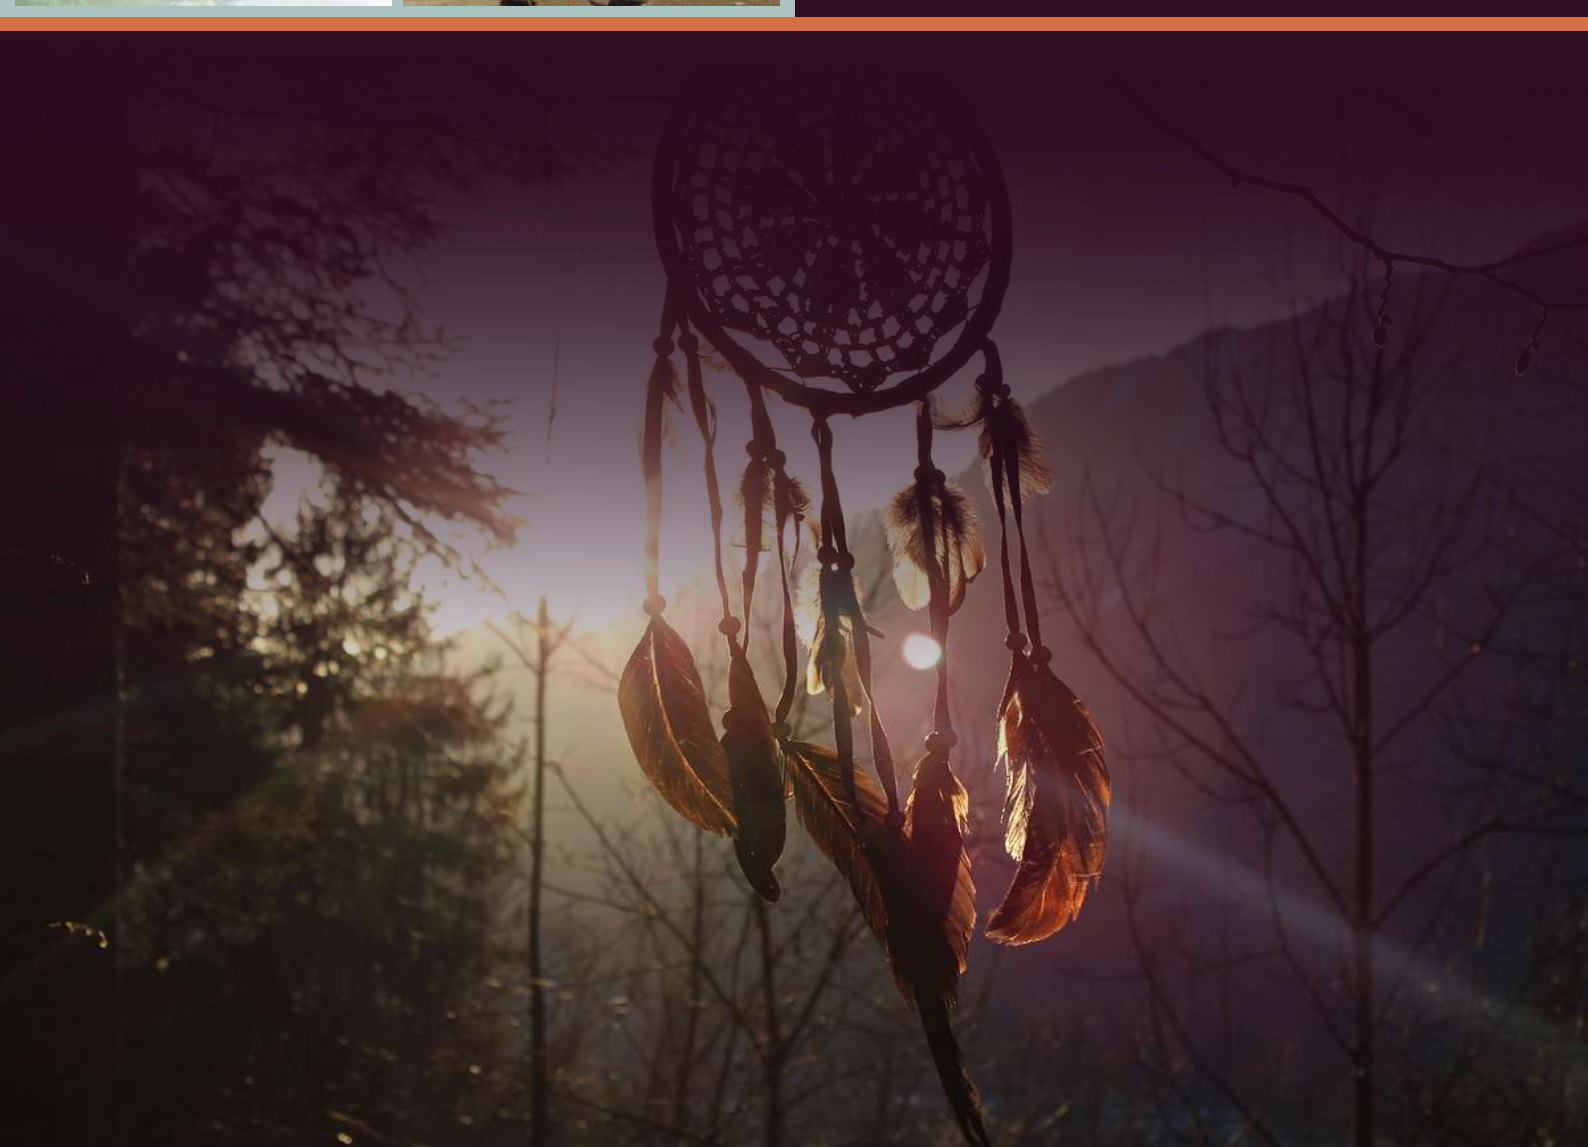

Gender: Ancestral

Duration: 40 minutes

Episodes: 1 | Format: HD

Production: Colombian | Year: 2022

The wisdom of plants and sacred places make us change that rationalist perspective, which divides everything, denies everything and contemplates nothing. Join us to explore the elementals of nature, air, fire, water and earth, granted by the Pachamama that helps us to flow and externalize our consciousness and personality. How this knowledge can be a contribution in the modern world.

Inti was born to offer practical solutions to the challenges of modern life where awareness, prosperity, health, community and harmony are the key.

We want to be complicit in the potential of a Latino audience through programs on health, lifestyle, awareness, travel, love, family and business relationships.
